Kennyth Michael Murray, born in Pensacola, Florida graduated from Sunny Hills High School in Los Angeles, California. After graduation he attended the University of Richmond and received a B. A. degree in Speech, Dramatic Arts and English.

While at York Mr. Murray has taught Sophomore, Freshman and Eighth grade English and also Speech for Juniors and Seniors. He has sponsored various class organizations, but most notably he has sponsored the Drama Club, the Newspaper and the Yearbook. Mr. Murray has fitted into his sponsorships well by inspiring his students to be original in speaking, acting and writing. Not only has he been a diligent worker as a sponsor, but also an understanding friend to the entire student body.

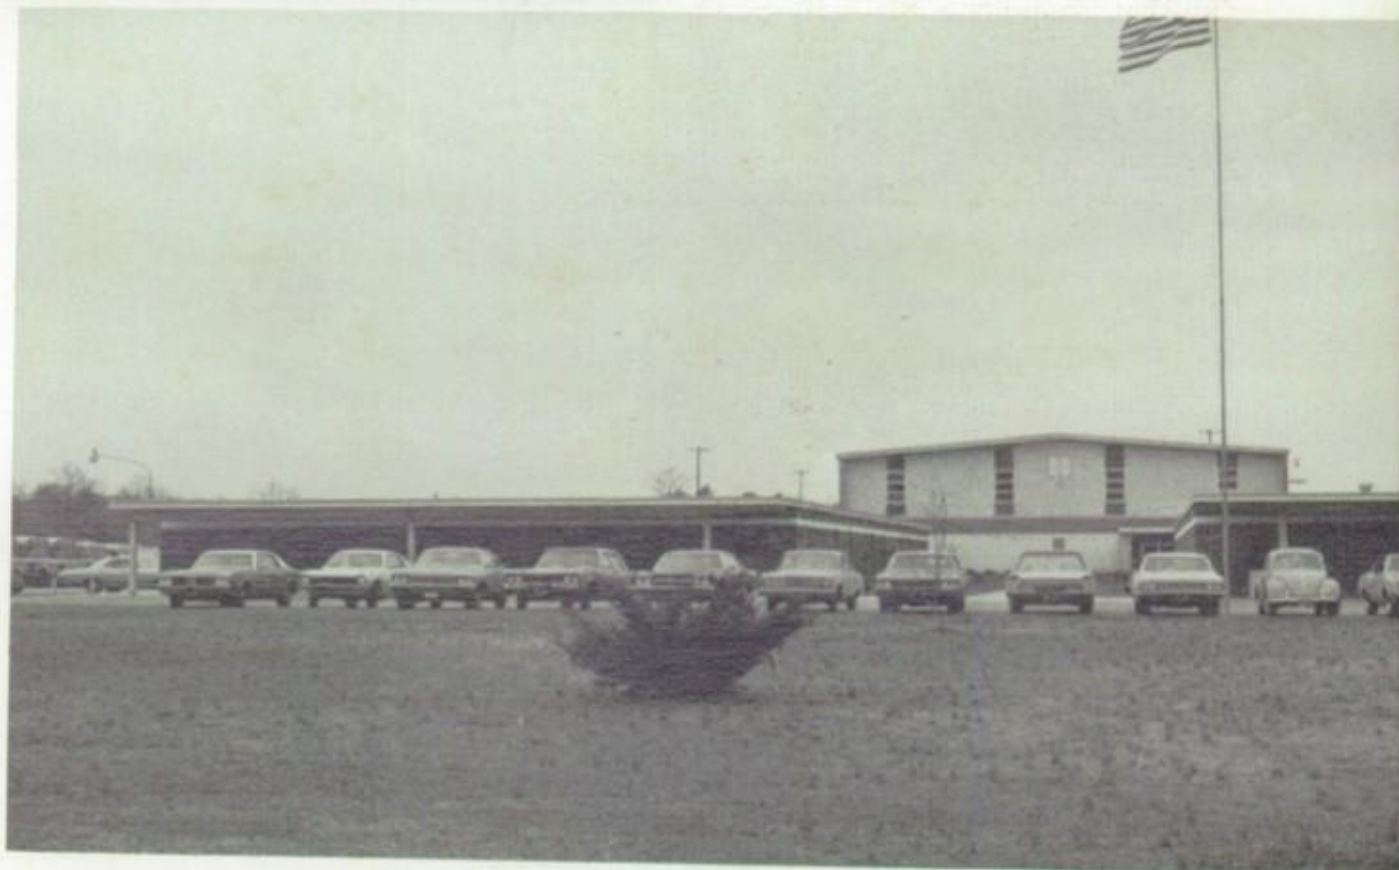

It is with grateful appreciation that we, the Senior Class, dedicate the 1973 CONFEDERATE to you, Kennyth Michael Murray.

To York With Love

Past

Present

Just as the inevitable waves wash away the sandy shores, the inevitable essence of time has taken with it another year. This is no unextraordinary year, for it marks the end of the first decade of York Academy. The realm of imagination became the realm of reality when York's first doors opened in the old farmhouse. Today! York has grown into an attractive brick building amid a picturesque setting of pines and fields. With all the joys and sorrows, triumphs and tribulations, and sacrifices and rewards, we flourished, we now flourish, and we trust we will continue to flourish. To York with love . . . past, present, future.

THE BEAT GOES ON

Alma Mater

Stand up and Sing, Stand up and Sing
Make grounds and buildings ring!
Oh York Academy, tried and true
We sing for you, yes, you.

Chorus:
Sing, sing, happy, bright and gay
Hold high dear red and gray.
We'll guard your name and spread your fame
Because we do love you!

How proudly waves "Old Glory" there!
Youth still breathes freedom's air!
Oh York Academy, tried and true
She waves o'er you, yes you.

In mansion great and cottage small
"King and Queeners" heard the call.
Oh York Academy, tried and true
They built for you, yes you.

How gladly now we take our part
And pledge both mind and heart,
Oh York Academy, tried and true
We do love you, yes you.

The Great Winning Team

FRONT ROW: D. Daniels, B. Martin, T. Bowerman, W. Draine, D. Harris, J. Whitehurst, B. Williams, J. Barnhardt, J. Wray, D. Harris. SECOND ROW: Coach Clary, J. Potts, M. Mason, B. Ticer, W. Hoar, D. Packett, J. Gammon, G. Copland, B. Miller, T. Hoar, S. Ware, M. Packett, M. Willis, Coach Palmer.

Attitude, hustle, desire, enthusiasm, positive thinking and team work are a few descriptive words of this football team. We are small in number but not in heart. At the beginning we talked about self-discipline. We felt if we could have this at practice it would carry over to the games. Ball control and defense would have to improve. The players believed in these three, plus a winning attitude and they became a winner. This team had the best football record, 7-2, in the school's history.

Last, but not least is the real factor toward the season -- leadership from our three seniors. They showed superb leadership all the season and the players respected this. Congratulations to all of the football players for an outstanding season. The coaches are particularly appreciative.

their appreciation to Hal Oliver.

Defense

FRONT LINE--M. Mason, D. Daniels, J. Potts, J. Wray. LINE BACKERS--W. Hoar, G. Copland, T. Hoar, S. Ware. SECONDARY--J. Gammon, D. Harris, J. Whitehurst.

Offense

FRONT LINE--M. Packett, J. Potts, B. Miller, M. Mason, J. Wray, W. Hoar, S. Ware. BACKFIELD--J. Whitehurst, D. Harris, G. Copland, G. Gammon.

George Copland was all VAAC at running back. He had played quarterback in the past and this year it was decided he could help most as halfback. George had one of the strongest arms in the conference and was a hard runner. When he started around end, the defense never knew what to expect. When they came up he would pass and when they stayed back he would run. George ran and passed at least 18 touchdowns. George was an outstanding captain and we could not have asked him to do anymore than he did. He believed we could win and his attitude rubbed off on the entire team.

All Conference

Wayne Hoar was all VAAC at defensive end and offensive tackle. Wayne is the best defense end in the conference. He has a knack to be around the ball. He has been known to tackle the ball carrier around the other end, behind the safety and even knock touchdown passes down. Wayne was an outstanding captain and helped to get across a winning attitude. Wayne's dependability is unsurpassed.

Stanley made all VAAC as an offense end. He is one of the best ends that has ever been in the league. Stanley has deceptive speed and great foresight. He runs a fine pass pattern but if the ball is not on target he will adjust to it. So many players would just give up. Not only is he a fine pass receiver but also a good blocker. Stanley and Wayne opened some large holes on the left side of the line. He showed much enthusiasm in practice and this carried over to all the players at game time. Stan is in the class of '74.

John Whitehurst was all VAAC at defensive halfback. John worked hard to learn this position. It was the first year he played DHB. John's strong point was his reaction. He knew when to come up for a run and when to stay back for a pass. John did not intercept many passes but nobody gained long yardage on his side. He was also a running back for us and a fine one. John contributed to great control offense. John had great desire and this made the other players hustle that much more.

Now I lay them down to sleep!

BACK ROW: Scott Orrell, Manager; R. Slaughter, P. Smith, E. Sebra, J. Potts, K. Norman, M. Packett, J. Ward, L. Mundie, D. Harris, Jamie Barnhardt, Manager. KNEELING: S. Ware, Co-Captain, Coach Palmer, G. Copland, Co-Captain.

The York Academy Basketball team began practice on November 20 with 5 superb lettermen from last years team. The Confederates were to center this team around 5 foot 9 inch scoring guard George Copland. It would be George who would be called upon to be the floor leader. The remaining starters would be chosen from a group of 6 foot 2 inch men headed by junior Stanley Ware. Others included Keith Norman, Jimmy Potts, Mike Packett, and Julian Ward. Promising sophomores were Don Harris and Ernie Sebra. The team worked hard for two weeks and put together what was hoped to be a winning team and a Conference Champion. At the present time the team is in third place with a 5 and 5 record.

George Copland

George returns for his second varsity season. This year he was chosen as one of the co-captains. Because of his ball-handling ability and good outside shooting, he will carry much of the burden of the team for it is to him they will look for floor leadership. George is one of the fine all around athletes at York and his presence will be missed next year.

Letcher Mundie

Letcher was a first year man on the basketball team this year. However, through hard work and great desire to hustle, Letcher became an important part of the team. On several occasions he was used in starting roles and he preformed tremendously each time, both as a scorer and a strong rebounder. Letcher's contributions to the team will be greatly missed next year.

Edson de Souza Alessi

For the first time this year, York was privileged to have an "Open Door" student. He is Edson de Souza Alessi, 17, from Jundiai, Brazil. He is the son of Oswalde and Alayde Alessi, and has a sister, Dinah. In Brazil, he attended the Institute de Educacao Experimental Jundiai, where his favorite pastimes are Mechanical Drawing, Math, and Sociology. His extra-curricular activities include swimming, listening to music, reading, horseback riding, and socializing with good friends. We greatly enjoyed having Edson here with us and we hope that he will return someday.

Love Story

On the night of April twenty-ninth, the York Academy juniors gave the prom in honor of the senior class. Under the light of the full moon outside the glamorous couples made their way to the gymnasium. They stepped into it under a flowered fluorescent arch, over a bridge, and into the enchanted world of "Love Story". Looking around the room, one could see cloud-filled skies over a white brick wall which was covered with ivy. In one corner of the room there was a garlanded gazebo under whose auspices pictures were taken. Centered in the middle of the room was a two-tier fountain showered with black light, filled with rippling water on which floated flaming candles, and was encircled by love doves. Music was provided by Smokehouse. Only one addition could have been made--the presence of Ali McGraw and Ryan O'Neale.

Government And History

This election year was an especially good year to see government at work. We were able to come in contact with political figures as well as closely observe government in action. Even our Mock Election with four precincts was a rewarding lesson. Both Candidates for First District Congressman came to speak at York before the election. Now that eighteen year olds can vote, we were even more conscious of the need for voting intelligently. Hearing each speaker gave us a fine opportunity to become aware. Our trip to Washington concentrated on the Supreme Court hearing cases, Congressional Committee hearings, Congress in session, and a glimpse of what the Smithsonian Institution has to offer. In addition the traditional TIME magazine kept us up to date throughout the year. We can now truly understand how important we can be as citizens.

A Lifetime
 Never a worry,
 Never a doubt,
 Never a thinking of
 what they're about--
 Cheerful and rollicking
 Children at play
 Lead the same life
 Through each new day.
 Time then takes over
 And steals from their eyes
 The beauty of clover,
 Pastel painted skies,
 And the birds in the meadow;
 And instead puts there
 A deeply set look
 Of worry and wear.
 The late years advancing,
 Those days gone forever,
 They cannot help glancing
 at children together:
 The sweet wine of youth
 Almost drained from the cup,
 They wander, and wish
 That they'd never grown up.
